Grading and evaluating student work in class and at the final exam	During the semester, two written tests will be organized. Two tests are equivalent of 100% of final grade and consist of theoretical questions and numerical tasks. In order to pass each test, student has to accomplish the minimum of 60% of total points. The final grade is formed as an average of achieved points from both tests. Alternatively, students can achieve grade through a final exam during the exam period. Score thresholds and corresponding grades for written exams are: 0-59 points = insufficient (1) 60-69 points = sufficient (2)					

	70-79 points = good (3) 80-89 points = very good (4) and 90-100 points = excellent (5). Final exam consists of written and oral exam. Minimum of 60% of total points in written part of the exam is precondition for taking an oral exam. Final grade is formed as an average of written and oral parts of exam.
